

frosting-for-cupcakes

Frosting for cupcakes:

CREAM CHEESE

The best cream cheese frosting for cupcakes.

- * 1 stick room temperature butter
- * 1 regular package Philly cream cheese at room temperature (8oz)
- * 2.5c of powdered sugar
- * 1 teaspoon of vanilla extract

Cream butter, vanilla, & cream cheese for a few minutes and always scrape down during mixing.

Add powdered sugar and mix for a few more minutes. Taste!

Please check out the drop down menu for more frostings.
